ACCELERATED BENEFITS RIDER (Form No. R 10761)

This rider provides an optional accelerated payment of life insurance proceeds to an insured who is terminally ill or expected to live in a nursing home until death.

The eligible life insurance proceeds are equal to a percentage of the policy face amount or up to a total of \$250,000 from all policies and riders on the insured issued by Assurity.

This rider will be attached only at the time of issue if approved in your state. There is no premium charged for this benefit. Certain states require the proposed insured to sign a disclosure form before the company can include the rider.

Optional Benefits and Riders (may vary by state)

DISABILITY WAIVER OF PREMIUM BENEFIT RIDER (Form No. R 10766)

The Disability Waiver of Premium Benefit Rider provides for waiver of premiums during a total disability of the insured occurring prior to the insured's attained age 60 (age last birthday). Premiums for Disability Waiver of Premium Benefit Rider are payable to the policy anniversary following the insured's 60th birthday.

The rider contains a six-month retroactive elimination period — that is, the disability must continue for six months before benefits are granted. Once the insured has qualified for benefits, Assurity will refund any premiums paid during disability and prior to approval of the claim. Benefits for a disability may be granted retroactively for no more than one year from the notice of claim to Assurity.

“Total disability” means the inability of the insured to engage in employment for which the insured is reasonably qualified by education, training or experience. Total disability must result solely from a covered accidental bodily injury received or a covered sickness which originates while the Disability Waiver of Premium Benefit Rider is in force and must require the regular care of a physician.

Eligibility: Based on the insured's health history, personal history, and driving history; subject to full underwriting review.

Issue Ages: 18 through 55 (age last birthday)

Termination Age: The insured's attained age 60.

Issue Limits: Available through Table 4 (200%). The rider itself can be rated Table 2 (150%) or Table 4 (200%). ***The rider cannot be rated in the state of Pennsylvania.**

Optional Benefits and Riders (continued) (may vary by state)

the rider schedule. The percentage of the benefit amount payable for each specified critical illness is shown beside the illness in the following chart.

The maximum total percentage of the benefit amount payable per category of specified critical illnesses is shown in the last column of the chart below.

Category	Specified Critical Illness	Percentage of Benefit Amount Payable for each Specified Critical Illness	Maximum Percentage of Benefit Amount for Category
Category 1	Heart Attack	100%	100%
	Major Organ Transplant – heart or combination transplant including heart	100%	
	Stroke	100%	
	Coronary Bypass Surgery	25%	
	Angioplasty	10%	
Category 2	Kidney (Renal) Failure	100%	100%
	Major Organ Transplant – not covered in Category 1	100%	
	Paralysis – not as a result of stroke	100%	
Category 3	Invasive Cancer	100%	100%
	Non-invasive Cancer	25%	

If an insured person receives a percentage of the benefit amount for one specified critical illness within a category in the chart above and then becomes eligible for benefits for another specified critical illness within the same category, the benefit amount payable for the subsequent illness within the same category is the lesser of the percentage amount payable or 100 percent minus the percentage of the benefit amount received for all previous specified critical illnesses within the same category.

After 100 percent of the benefit amount shown on the rider schedule has been paid for an insured person within a category in the chart above, Assurity will not pay any additional benefits for any specified critical illness in that category for that insured person. Assurity will pay the benefit for coronary bypass surgery, non-invasive cancer and angioplasty only once per lifetime per insured person.

If benefits have been paid for a specified critical illness within one category for an insured person, no benefits will be payable for a subsequent specified critical illness within a different category for that insured person unless the date of diagnosis of the subsequent specified critical illness is separated by at least 180 days from the date of diagnosis of the immediately preceding specified critical illness.

If the date of diagnosis of two or more specified critical illnesses is the same day, Assurity will pay only one specified critical illness benefit. Assurity will pay the larger of the specified critical illness benefits.

If the insured receives benefits for non-invasive cancer and is later diagnosed with invasive cancer, the remaining benefit amount will be paid.

This rider is also available to another insured, provided there is an insurable interest, and the other insured has applied and been approved for the Other Insured Term Rider. The premiums are based on the other insured's age last birthday, gender and underwriting class.

Optional Benefits and Riders (continued) (may vary by state)

- Premiums paid for any Waiver of Premium Rider attached to the base policy and to the ROP Benefit Rider,

Administrative Guidelines

ASSIGNMENTS

Assurity accepts collateral assignments of life insurance. An assignment form can be requested from Client Services. The form is to be returned to the assignee and a copy retained by Assurity.

CHANGE OF BENEFICIARY

To change the beneficiary on an in-force policy, a Beneficiary Designation form must be completed. This form may be requested from and then returned to Client Services. The return of the policy is not required.

CHANGE OF OWNER

The owner of an in-force policy may be changed while the insured is alive. An Ownership Transfer form may be requested and returned to Client Services. The return of the policy is not required.

DEATH CLAIM PROCESSING

Please contact the Claims department to request an Application for Individual Life Benefits, and provide the insured's date of death. Return the completed application to Claims along with a certified copy of the insured's death certificate and the policy.

DISABILITY WAIVER OF PREMIUM BENEFIT RIDER ADMINISTRATION

Contact the Claims department to obtain the appropriate proof forms for the Disability Waiver of Premium Benefit Rider. The forms must be completed by the policyowner and his or her physician, then returned to Claims.

The policyowner must continue to pay all premiums until the waiver of premium claim is approved. When the claim is approved, premiums paid after the date of disability will be refunded. However, no premium will be waived if its due date is more than one year prior to the notice of claim.

DIVIDENDS

This is a nonparticipating policy. Dividends will not be paid.

DUPLICATE POLICIES

A duplicate policy is available upon receipt of the owner's signed request. A \$20 fee may apply for subsequent requests.

GRACE PERIOD

A 31-day grace period is included in the policy for premiums not paid on or before the due date.

LIST BILLING

If you need to establish a list billing, contact Client Services at (800) 869-0390, ext. 4279. Policy premiums arranged on a list bill are billed to a policyowner's place of employment.

POLICY ADDITIONS

When an addition to a policy is requested by a policyowner, please contact Client Services for an Application for Policy Change. The return of the policy with the form is not required.

PREMIUM BILLING

The original premium notice for the direct premium mode is mailed 20 days prior to the due date. If unpaid, a reminder notice is mailed five days after the due date. If a remittance is still not received at the end of the 31-day grace period, lapse/nonforfeiture processing will be initiated.

Administrative Guidelines (continued)

PREMIUM BILLING (continued)

Preauthorized premium payments may be drafted on any day falling between the 1st and 28th of each month. If a preauthorized payment is returned, Assurity will notify the policyowner and send a copy of the notification to you, the agent. If a remittance is not received prior to the expiration of the grace period, lapse/nonforfeiture processing will be initiated.

Please contact Client Services for authorization forms needed to indicate a change in banks or to deduct a premium from a policyowner's bank account.

REINSTATEMENT

A lapsed policy may be reinstated within three years of the lapse date if: (1) Assurity agrees the insured is insurable, and (2) all unpaid premiums are received, including the compound interest of 6 percent from each due date.

SURRENDER

To surrender a policy, the policyowner must send a written request to Client Services and return the original policy.

Product Definitions

ASSIGNMENT

The policy may be transferred, or assigned, to another person or organization.

CONTESTABLE PERIOD

This policy cannot be contested after it has been in force during the insured's lifetime for two consecutive years from the date of issue.

MISSTATEMENT OF AGE OR GENDER

If the insured's age or gender is misstated in the application, the proceeds will be adjusted to the amount the premium paid would have purchased for the correct age or gender.

PAYMENT OPTION

The policyowner may elect a payout option while living or a beneficiary may elect a payout option upon the insured's death. Payment options include: payment for a fixed period; payment of fixed amount; left at interest; or alternate payment for life.

RIGHT TO CANCEL

After examining the policy, the policyowner may cancel the policy within 30 days of delivery for a full premium refund. (The number of days may vary by state; refer to the policy for state-specific information.) Cancellation is effective on the date the policy is returned to the home office or the representative from whom it was purchased. We will refund the full premium paid, and the policy will be treated as if it were never issued.

SUICIDE

If the insured dies by suicide within two years of the issue date, Assurity's liability is limited to a refund of premiums paid. After two years, death by suicide is paid in full.
